

ANNUAL REPORT 2018-19

A pleasant evening to one and all congregated here.

Notable Chief Guest of the day Mr.Ramesh Payyannur, Respected Chairman Mr.Habib Mundol, PTC President Mr.Haridasan, members of Scholars Family, Guests and my dear Scholars, I am very happy to present you the synopsis of the Annual Report of the Academic year 2018-19.

- As quoted by Jean Piaget, "The goal of education is not to increase the amount of knowledge, but to create the possibilities for a child to invent and discover, to create men who are capable of doing new things." Let us have journey to through the memorable events of 2018.
- The challenging task of every educational institution is to impart the optimum to its learners through all its unique ideation and ventures. At scholars, its members operate day in and out, paying heed to the minutest yearning desire and aspirations of our young aspiring students and tap their dormant skills for a promising tomorrow. Apart from scholastic, at scholars, students are driven towards plentiful openings, so as to unveil their skills and aptitude, and moreover expunge their hidden inhibitions and apprehensions.
- Throughout this academic year the school has undertaken major events and programmes to promote students vent their energy and manifest competitive spirit, thereby instilling in them unbeatable confidence and optimism. Our school Chairman Mr. Habib Mundol, the torchbearer of the institution- is known for his arduous involvement behind actualizing his mission and vision. The school functions along the goals and objectives formulated and devised by him and in the long run would unceasingly work to reach lofty heights.

- Let me joyously declare that this year, Scholars has amassed several awards, citations, certificates, medals and trophies for its remarkable feats in multifarious activities both within and outside the school. Over the months, our young prodigies bagged accolades and coveted awards from notable personalities, thereby bringing immense glory to our school.
- A lot of competitive events marked the highlights of the year, rendering our students with a forum to partake and reach great heights. Students actively enrolled themselves in a series of contests under the constant and concerted aid of their teachers and of course parents. The school also takes pride in stating about its active involvement in all important events, in particular significant moments related to the UAE and its history. Teachers at Scholars were also sensitized to the requisites of the current system of education through enlightening workshops and symposiums. Workshops were also promoted within the school as a part of teacher guidance programme.
- On the whole the school's remarkable feats has brought great laurels to the institution, and of course the credit goes to our visionary leader - Mr Habib Mundol, the office bearers, teaching staff and ancillary staff for their strenuous and unstinted support. I request all members of the Scholars family present here, to log in to the Scholars school site for further details of 2018-19 Scholastic and Co -scholastic ventures and events.
- We wish you all in advance a Merry Christmas, a Happy New Year 2019.

It is dominant to understand that a 'school is a community of collaborative learners', where the paramount end of education is to assist and facilitate children throughout their learning period, so that they blossom into aspiring citizens and strive to pursue their goals, facing untoward trials and tribulations. Scholars Indian School runs on the fundamental idea of imparting sound and quality education, catering and paying heed to each and every pupil's need. The school envisions to be one of the finest centers of education in all aspects and ventures into tasks for our children to create a promising future.

The school chairman Mr. Habib Mundol- the backbone of the school, moils through all possible ways to foster his students with the best openings both within and outside the school premises. His single minded approach and perspective towards education has fruitfully showered immense fame to the school both in and around the emirate. Owing to his prudent and limitless involvement, the school still persists to receive adulations and coveted accolades - thereby enhancing its reputation year after year.

MAJOR HIGHLIGHTS OF THE YEAR

❖ WORKSHOPS & TRAINING :

A series of workshops were conducted for teachers and the Principal at Rasal Khaimah, Sharjah and Dubai on crucial aspects like adolescents, learning disability, childhood disorder, individual behavior and leadership. The workshops were well premeditated by efficient team members, who sensitized our teachers with the current encounters and eventualities that our children of today face, in terms of behavioral problems, teacher learner bond, socializing among peers, bond with parents at home, moral education and so on. Symposiums were held on 'Teacher Empowerment Programme' in Dubai; briefing teachers on various competitive exams like PISA; workshops on acclimatizing teachers to the 2018-19

evaluation by the MOE which got recently concluded with a positive outcome; workshops on effective strategies on devising lesson plans and how to intersperse one's classes with effective activities, thereby eroding the traditional teacher dominating classrooms.

- ❖ Apart from teaching faculties, students were also rendered with a counseling session on how to prepare themselves for school based exams and of course Board Exams, moreover asking them to allocate substantial time for rigorous and systematic learning. Our students bagged 100 percent result in both X and XII CBSE BOARD EXAM.
- ❖ Students are also drilled at regular intervals with measures to be adopted in case an emergency arises owing to a sudden break out of fire. Students are monitored and strictly guided to evade injuries and evacuate to a safer place without any turmoil.

COMMEMORATION OF SPECIAL EVENTS:

- ❖ Scholars also held a grand K.G. Graduation day rendering a genial welcome to the dazzling buds of tomorrow. Through such ceremonious occasions - we enable our tiny tots and their parents familiarize themselves to the congenial atmosphere of the school and its members.
- ❖ School Parliament election was also held to get the school prefects appointed for a fruitful and smooth move of the activities of the current academic year, followed by a grand installation ceremony, welcoming the newly chosen in-charges to take over, with immense responsibilities.
- ❖ Scholars also actively indulged in merging some significant events with its functioning, a few to name check like World Health Day, Earth Day, Environment Day, International Yoga

Day, Bio-diversity Day and so on. All these days were eventfully conducted with the sole intention to sensitize students to the essence of each fundamental event and evolve activities oriented towards making the days purposeful and impactful.

- ❖ A special book fair was also held to expand the reading habit of our students during the 'Islamic Week'. Varieties of books were on sale for students to broaden their vision. 'Sharjah Book Fair' was also an opening to our aspiring students, as it provided them with great impetus to take over books of their choice and also function as spontaneous News Readers, thereby boosting their confidence and eloquence.
- ❖ Malayalam Sauhrada Programme was also held with great pomp and joy in the august presence of Sree Rajiv Cherai as the Chief Guest. The programme showcased an array of performances placing thrust on the unique culture of God's Own Country-Kerala.

SCHOOL INSPECTION

- ❖ Scholars is proud to announce about the one day elaborate inspection held in school and its aftermath. A team of evaluators had an exposure to all our internal and external activities and accordingly rated us with remarkable results. Several classes were monitored and thereby applauded for catering to the educational need of the hour. The team was highly content to know about the inclusion of National Agenda Policy (NAP) in the school curriculum and teacher's lesson plans and how it got skillfully imparted to students through the course of teaching. A series of other inspections were also carried out by the MOE probing into the school infrastructure , its clinic, canteen, teachers approval status

and other related details, scholastic and co scholastic files etc.

- ❖ Scholars also celebrated its on stage and off stage Youth Festival with great zeal and vigour, bringing forth students with their inherent skills and talents to a competitive platform. The contenders tried their optimum to compete and bring out their best to the audience. On the whole Scholars Youth Festival was a grand success.
- ❖ Students of grade 8 also participated in a procession at Corniche rallying for TOLERANCE . Our students actively participated in a long procession, lobbying for outright tolerance and Scholars was proud to be a part of the same.

“Winners never quit and quitters never win”

- ❖ Annual Sports Day was also an event that Scholars undertook with great vitality. This year's sports day enthralled spectators with the vivacious performances of our students- that ranged from group events to individuals, solely contending to supersede their competitors. On the whole our sports day was highly eventful.
- ❖ Apart from sports Scholars also furnished its students with opportunities to play indoor Cricket held at AURAK and Squash for which we had Manthan Panday of Grade 6 bagging 2018's Squash Championship.
- ❖ Its indeed my pleasure to bring to your knowledge that Scholars has perpetually undertaken noble causes for the general welfare of the society, environment etc. Ninan Aju Philip the 'Green Ambassador' of the school has ardently worked behind 'Prudent Waste Management' and has received great appreciation for his meritorious contributions.

- ❖ 'Houbara Bustard Conservation' is yet another challenging venture of our school, that aims at disseminating the idea of 'Conserving' this migratory species and rendering support to the UAE in its awareness programme on a regional basis. Our sports day of the current year also highlighted this noble cause through a brief display. Scholars clubs have also taken initiatives to come up with innovative and unique activities and projects on the idea of conserving the Houbara Bustard.
- ❖ Scholars has also enrolled itself in the 'Green School' contest and is expected to schedule its programme in relation to the contest after we start afresh in the month of January.
